This has to be the most remarkable video I've ever seen. At 1:44 in, I lost interest... although it was captivating to watch as it progressed. I'm pretty sure the voiceover is actually a female narrator with another voiceover at 1:48. I watched this a couple of times, and it never ceases to amaze me. It started out fairly fast, and after about five minutes, I just lost interest. It's just mind-boggling. The music added was subtitled, and it had a very subtle, sort of cool sound. It's the very first time I've ever seen this; it really made me think about what they were trying to convey. 1. Let all the pain melt away. 2. Lighter than the air. 3. The great green 4. And baby, if you could see 5. Just how much I love you 6. If I could touch you 7. I'm a little teapot short and stout 8. If you turn me upside down 9. I would still be too tall 10. Drink me with a cup of kindness, care and understanding 11. Lighter than a feather 12. And baby, I'm just a little woman 13. I hope that you see 14. I'm amazed. You're amazing. 15. If I was you, I'd be me 16. You are a beautiful dream. 17. To make me think I'm crazy. 18. I'm asleep, and dreaming 19. I dream in colors 20. I dream in words 21. I dream in melodies 22. I dream in tunes 23. But my dreams are always the same 24. They are of you 25. Let it out. 26. Let the story begin 27. Let the story begin 28. Let all the pain go 29. Let all the pain melt away 30. Let the smile come undone 31. Let the smile come undone 32. Let the smile come undone. 33. Let the smile come undone. 34. It feels so right 35. Free from the pain 36. Let all the pain melt away 37. Free from the pain
